

The PacToll Solution

Manage Tolls from Coast-to-Coast with a Toll Management Solution that Saves You Money

PacLease has partnered with Bestpass to provide PacToll, a nationwide toll management solution that helps fleets navigate the complexity of tolls.

Bestpass has built relationships with over 60 tolling authorities in 25 states to provide seamless coast-to-coast toll coverage that saves you time and money.

Covering 100% of major U.S. toll roads, PacToll is a comprehensive toll management solution that will ensure your plates are on file with all relevant tolling authorities, providing you with coverage wherever you travel. PacToll's consolidated billing streamlines the accounting process so you only have one bill to pay.
