The PacToll Solution

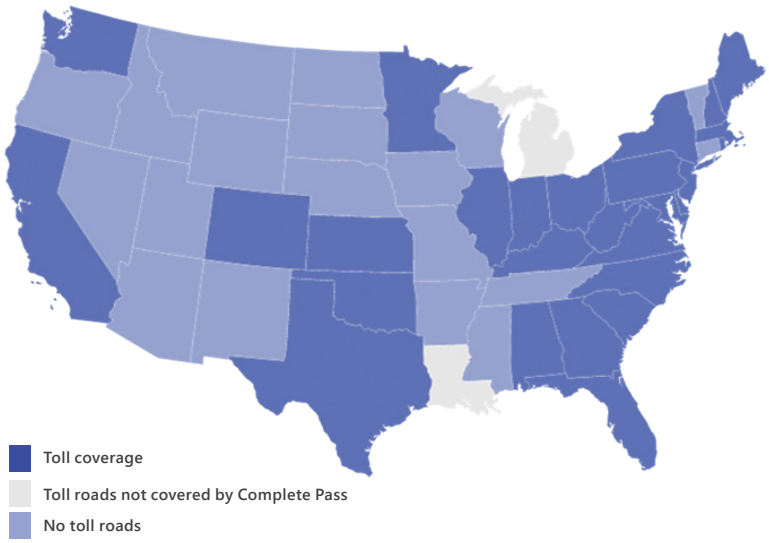

PACTOLL™
TOLL BILLING MANAGEMENT

Manage Tolls from Coast-to-Coast with a Toll Management Solution that Saves You Money

PacLease has partnered with Fleetworthy Toll Management formerly known as Bestpass to provide PacToll, a nationwide toll management solution that helps fleets navigate the complexity of tolls.

Fleetworthy Toll has built relationships with over 60 tolling authorities across North America to provide seamless coast-to-coast toll coverage that saves you time and money.

Fleetworthy Toll Management, formerly known as Bestpass gives fleets one device, one account, and one invoice for nationwide access and simplified payments.

Fleetworthy™
Formerly Bestpass

- Avoid toll violations and related fines
- Visibility into your toll spend by vehicle or location
- One account and one monthly statement to pay for all toll usuage
- No costly plate tolls, fees, or duplicate tolls
- Superior customer support

PacToll Offers Complete Pass Coverage

Ensuring your fleet is covered whether you travel nationally or regionally.

Benefits

PacToll provides PacLease and their customers with a complete solution to manage tolls and consolidate payments—saving fleets time and money

Powerful Account Tools

- One centralized account
- Single point of contact
- One invoice for all toll costs, generatedby PacLease
- Toll reconciliation and validation
- Eliminates paper bills and manual work
- Customized transponder plan for your fleet
- Option to use existing account
- Advanced analytics to view which routes cost the most

The PacToll Process

- You rent or lease from PacLease.
- As you incur tolls on the road, PacToll associates them with your vehicles.
- PacLease generates a monthly single invoice that covers all toll bills from various tolling authorities, saving you time and money with zero hassle.

Fleetworthy Toll Management

Since 2001, Fleetworthy Toll Management has been helping truckers across the country save money at the toll booth while streamlining toll management back office activities. Fleetworthy Toll works directly with PacLease to offer you the best service and costs. Over 1.9 million enrolled vehicles generating over $125M in monthly tolls.
